

PLEASE READ THIS IMPORTANT NOTICE

The Constitution of SLU3A calls for (not more than) 15 members to be appointed annually to the Executive Committee. The Officers – chairman, vice chairman, secretary and treasurer - shall be appointed annually by decision of the Executive Committee at its first meeting after each Annual General Meeting.

We are therefore urgently seeking a number of “old” and “new” nominations as some of the existing committee are, for very good reasons, not seeking re-election. A strong, viable committee is a vitally essential part of the SLU3A structure! Committee duties are responsible but not onerous.

Without resorting to over-dramatization we have to convey to all members that in the absence of a strong, viable committee the SLU3A will be unable to continue its functions.

Members are asked to give serious consideration to nomination for service on the committee. Nomination forms, as below, are also available from the Secretary: Eddie Dixon (01858 468758), or Chairman: Don Collins (01858 462409).
